(4) Will this administrative regulation impose stricter requirements, or additional or different responsibilities or requirements, than those required by the federal mandate? This administrative regulation does not impose stricter requirements, or additional or different responsibilities or requirements, than those required by the federal mandate.

FISCAL NOTE ON STATE OR LOCAL GOVERNMENT

(1) What units, parts, or divisions of state or local government (including cities, counties, fire departments, or school districts) will be impacted by this administrative regulation? The Cabinet for Health and Family Services, Department for Community Based Services, will be impacted by this administrative regulation.

(2) Identify each state or federal statute or federal regulation that requires or authorizes the action taken by the administrative regulation. KRS 194A.050(1), 199.472, 605.100(1), 605.130(7), 605.150, 45 C.F.R. 1355.34(b), (c), 1356.22

(b) How much revenue will this administrative regulation generate for the state or local government (including cities, counties, fire departments, or school districts) for subsequent years? This administrative regulation will not generate any new revenue in subsequent years.

(c) How much will it cost to administer this program for the first year? The administration of this program is projected to fall within available state appropriations.

(d) How much will it cost to administer this program for subsequent years? In SFY 2021, the cabinet spent approximately \$5 million on adoption assistance, not including post-adoption subsidy payments.
